44-350.D.1 Aid Paid Pending

Aid paid pending (APP) a state hearing decision is a recoverable overpayment except to the extent that the claim is granted. However, the amount of a proposed overpayment adjustment which is stopped because of a recipient's timely request for a state hearing is not an overpayment. When a request for a state hearing is filed timely, all collection efforts on any disputed overpayment claims shall be suspended pending the outcome of the hearing.

If a recipient has received Aid Paid Pending (APP) at a higher amount, and then loses the hearing mid-period, their APP must end and aid shall be decreased mid-period. Any amount of APP that the recipient received, but was not eligible to, will be considered a Client Error overpayment.
